In partnership with the National Agency for Youth Employment Support (Ansej) - Oran region, the entrepreneurship House of the Higher School of Biological Sciences of Oran, organizes the first edition of "the Summer School 2019". The Entrepreneurship Summer School will provide students with the skills and insights they need to research their target business or Startup and to know what it takes to turn their ideas into viable businesses.

Online registration at
<http://www.essb-oran.dz>

Deadline
15 August

Summer School aims

- ✓ Introduce the Entrepreneurship world to students.
- ✓ Explain the process of business creation.
- ✓ Explain how to well design the business environment.
- ✓ Encourage students to start a business.
- ✓ Introduce the ANSEJ device.
